

STUDENT INTERN EVALUATION

In accordance with the US Department of State (DOS) regulations, the hosting professor/supervisor of any UD J-1 Student Intern must provide an evaluation of the intern's progress. Program evaluations must be submitted at the mid-point of the intern's program, and again at the conclusion of the program. Please note that programs which are three months or less require only one evaluation, at the conclusion of the internship. If an extension request is made, a completed evaluation must be submitted at that time.

The UD hosting professor/supervisor should fill out **Part I** and then review the evaluation with the intern. The intern should then fill out and sign **Part II**. As the intern must sign the evaluation, it is recommended that the evaluation be completed before the intern leaves the University.
