ABOUT THE POSITION:
The Health Sciences Summer Camp is a six-day residential camp at the University of Delaware for rising 10th, 11th and 12th grade students. The camp aims to increase exposure of first generation college, low income, and underrepresented students to the College of Health Sciences, but all student applications are considered. The program focuses on majors and careers in healthcare and health sciences. Students will live on the UD campus and engage with university faculty and staff, researchers, graduate students and undergraduate mentors. 
Program dates are **Sunday, August 4, 2019 to Friday, August 9, 2019**. 
Four Residential Camp Leaders are needed. The Residential Camp Leader’s primary role is to provide supervision for students and ensure their safety and well-being.

DETAILS OF THE POSITION

- Residential Camp Leaders will work as part of a team, reporting to the Program Coordinators.
- Overnight stay is required. Must reside with students in on-campus housing provided.
- Duties will entail:
  - Supervising students during meals, free time, special events, and field trips.
  - Working with students to keep them engaged and involved in activities during the program.
  - Modeling positive behaviors for students and ensuring students behave in accordance with University guidelines at all times.
  - Serving as leaders, counselors, disciplinarians and role models throughout the program.
  - Assisting students with projects, basic computer usage, and closing ceremony presentations.
  - Following all guidelines established by Program Coordinators to ensure student safety during all activities and trips.
  - Other duties as assigned by Program Coordinators.
- Must participate in 2 days of training before camp begins.
- Location of employment will be on Main Campus and at the STAR Campus in Newark, DE.
- Compensation: $750 (room, meals, field trips and activities included)

MINIMUM SKILLS & QUALIFICATIONS:

- Must be 21 or older.
• Bachelor’s degree required with 1+ years’ experience working in youth-based programs, preferably in a leadership role. Degree in school counseling, school psychology, social work, education, higher education administration, health sciences or other related discipline preferred.
• Excellent English language communication skills, both oral and written.
• Must enjoy spending structured and unstructured time with young people.
• Effective presentation and group facilitation skills. Ability to present effectively to small and large groups and to work productively with a wide range of constituencies in a diverse community.
• Ability to grasp, retain, and disseminate an extensive and varied body of information.
• Ability to exercise sound judgment and employ decision-making skills under the guidance of the supervisor.
