Programmer – Part Time

College of Health Sciences, Communication Sciences and Disorders

Language Learning and Bilingualism Lab

STAR Tower, 100 Discovery Blvd, Newark DE 19713

Responsibilities: A successful candidate will be tasked with revising an existing online language quiz designed for young children that consists of visual and audio cues to prompt children to select a matching image. Together, we will update the host website, improve server data retention, and add features such as streaming video recordings of remote testing to be saved onto the server.

Qualifications:

- Proficient in HTML/JavaScript, preferred Python
- Familiarity with front end and back end website design – wordpress, wix, and/or Adobe Experience Manager content management system (CMS)
- Preferred familiarity with SEO and accessibility practices and UD’s brand guidelines

Compensation: This is a part-time, non-benefitted position. Rate of pay is based off of education and experience. Candidates should be available for a minimum of 10 hours week.

Start date: ASAP

To Apply: Candidates should fill out our application questionnaire at https://udllblab.wixsite.com/home/join-our-team as well as send their CV/resume to udllblab@gmail.com.
