Miscellaneous Wage - Lab Technician position
Department of Chemistry and Biochemistry
6-10 hours per week

The Department of Chemistry and Biochemistry has an opening for a miscellaneous wage, part-time Lab Technician. The work involves molecular biology, primarily cloning and mutagenesis. Experience with protein expression and purification and biochemistry techniques is an advantage. Applicants must be versed in cloning. Bachelor of Science degree in chemistry, biochemistry, biology or chemical engineering is required. To learn more about our research group visit: http://www.udel.edu/chem/rozovsky/group/index.html

This is a part-time, non-benefitted position.

This part-time, temporary (miscellaneous wage) position is ineligible for University of Delaware employee benefits. Work hours are flexible, but are expected to be 6-10 hrs/week, and no more than 19 hrs/wk.

To apply, please send curriculum vitae and names of two references electronically to: Prof. Sharon Rozovsky, Department of Chemistry and Biochemistry, University of Delaware (e-mail: rozovsky@udel.edu).

Employment offers will be conditioned upon successful completion of a criminal background check. A conviction will not necessarily exclude you from employment.

The University of Delaware is an Equal Opportunity Employer which encourages applications from Minority Group Members and Women. The University’s Notice of Non-Discrimination can be found at http://www.udel.edu/aboutus/legalnotices.html
