Position Title: Temporary Counselor

Department: Center for Counseling and Student Development (CCSD)

Position Summary:

Under the general direction of the Director of the Center for Counseling and Student Development (CCSD), the Temporary Counselor engages in clinical service provision, outreach to student populations, training of interns, post-doctoral fellows and doctoral level practicum students, and engagement with students, faculty and staff in consultation. This Temporary Counselor will join a large counseling center comprised of sixteen clinical staff members, and eleven doctoral-level trainees who engage over 2,000 students annually through clinical work and thousands more through outreach and consultation.

The CCSD Temporary Counselor has responsibility in performing counseling and psychotherapy, crisis management, as well as advising those who seek professional consultation services.

This work is generally highly sensitive and requires thorough familiarity of ethical and legal procedures.

Salary will be commensurate with experience; this position is for 29 hours/week

Major responsibilities:

- Provide individual and group counseling and psychotherapy to undergraduate and graduate students for personal, educational, and career development problems.
- Maintain up-to-date knowledge of federal acts such as State of Delaware Child Abuse Reporting laws, FERPA, Title IX, and Clery Act.
- Perform miscellaneous job-related duties as assigned.

Qualifications

- Licensed Psychologist, Social Worker or Professional Counselor in state of Delaware (or license eligible in Delaware).
- Licensed Psychologist in state of Delaware (or license eligible in Delaware).
- Experience working in a college counseling center, preferably a center with a training program preferred.
- Familiarity with counseling center clinical records system and the software platforms utilized preferred.
- Understanding of state of Delaware Child Abuse Reporting law, FERPA, Title IX, Clery Act, and trends in legal liability within college counseling center operations.
- Proficiency in computer skills (e.g., Titanium, Excel, word processing, presentation software) and web navigation abilities.
