

UD Dairy Farm Hand

Description / Primary Responsibilities:

This position is the relief feeder position at the University of Delaware Dairy Farm. Primary responsibilities include but are not limited to; mixing and delivering dairy rations using tractor with mixer wagon and skid steer loader, cleaning dairy barns, assisting with calving, handling dairy cattle, some milking and assisting with routine dairy operations.

This part-time non-benefitted position will require working every other weekend and some holidays with no more than thirty hours per week.

Qualifications / Requirements:

Must have some farm equipment operation experience.

Dairy experience preferred but not required.

Compensation:

These are part-time, non-benefitted positions. Expected shifts include weekends and holidays. Hourly rate is competitive and dependent on qualifications. The number of daily and weekly hours may vary depending on operational needs.

Apply:

Send a letter of interest and resume to the UD Dairy manager by email at jleith@udel.edu

Employment offers will be conditioned upon successful completion of a criminal background check. A conviction will not necessarily exclude you from employment.

The University of Delaware is an Equal Opportunity Employer which encourages applications from Minority Group Members, Women, Individuals with Disabilities and Veterans. The University's notice of Non-Discrimination can be found at <http://www.udel.edu/home/legal-notices/>
