

## **Adjunct Faculty Position-Computer Information Systems Instructor**

**March 5 - May 4, 2018 (note date change)**

*University of Delaware English Language Institute SABIC Foundations Year Program  
108 E. Main Street Newark, DE 19711*

A position is available for teaching adjuncts, teaching/graduate assistants or other teaching professionals who are interested in teaching an *Introductory Computer Information Systems* course for pre-engineering international students in the SABIC Foundations year program. The course will be offered twice a week 1.5 hours twice a week and 50 minutes of lab for a total of 52 hours over 13 weeks in the spring semester.

Candidates should have current or recent introductory or higher teaching experience in computer information systems at the college or university level, experience working with international students, and well-developed organizational and communication skills. This includes commitment to helping students

- Apply knowledge of mathematics and science to engineering
- Identify, formulate, and solve engineering problems
- Use the techniques, skills and modern engineering tools necessary for engineering practice

### **Duties**

- Teach principles of computer science illustrated and applied through programming in a general-purpose language and using MATLAB for pre-engineering students.
- Develop guidelines for programming projects that illustrate computational problems, styles, and issues that arise in computation.
- Create syllabus, assess, report attendance and grades, and hold 2 office hours per week
- Attend meetings and training as required with SABIC Coordinator and Assistant Director of Academic Programs.

### **Qualifications**

- Current or recent teaching experience in computer information systems
- Experience working with international students
- Experience working on teams
- Leadership experience
- Working knowledge of the University of Delaware student services
- Mentoring experience is preferred
- Foreign language abilities are not required but are highly valued

### **Supervisor**

Coordinator, SABIC Program MariaJose Riera

### **Hours**

8-10 hours a week

### **Wages**

Commensurate with qualifications

**Criminal Background Check**

A selected applicant must have a criminal background check completed prior to commencing employment. See University policy 4--111 for further information about criminal background checks.
