Attachment & Biobehavioral Catch-up Lab  
Department of Psychological & Brain Sciences

Hiring now for a **part-time home visiting parent coach** willing to visit homes in **Delaware County, PA and Philadelphia**.

- This is a part-time, miscellaneous wage position with no university benefits.
- Hours will vary based on caseload and parent coach’s interest; average 3-6 hours a week.
- Commitment of one year requested.
- Parent coach will be compensated for travel time and reimbursed for mileage.
- Compensation is competitive and based on education and experience.

**Responsibilities:**

- Parent coach will be responsible for delivering two home-visiting interventions:
  - Safe Environment for Every Kid (SEEK) - a brief case management intervention (1-2 visits) connecting families to local resources.
  - Modified Developmental Education for Families (mDEF) – a 14-session parenting intervention focused on teaching parents activities that stimulate their infants’ cognitive and motor development.
- Intervention sessions to be scheduled at the parent coach and mothers’ convenience (may include evenings and weekends).
- Clientele will be pregnant and peripartum mothers in treatment for opioid dependence and enrolled in a randomized clinical trial.
- Parent coach will participate in biweekly supervision with a licensed clinical social worker. Can be completed remotely or in person at 850 Library Ave, Newark, DE 19711.

**Education, Experience, and Abilities:**

- Requires a Bachelor’s degree, ideally in a field related to human services.
- Prior experience working with parents and infants preferred.
- Our ideal applicant is organized and responsible, with good verbal communication skills and a warm but professional demeanor.

This position offers an opportunity to get training, experience, and supervisions in two evidence-based home-visiting interventions through Mary Dozier’s Attachment & Biobehavioral Catch-up Lab. Applicants pursuing careers and/or graduate education in education, social work, or psychology are particularly well-suited for this position.

Applicants should apply by submitting a letter of interest and resume to Madelyn Labella at mlabella@psych.udel.edu.

Employment offers will be conditioned upon successful completion of a criminal background check.
