Per diem Registered Dietitian Nutritionist (RDN), Department of Behavioral Health & Nutrition

University of Delaware, Newark DE

Context of The Job: The Nutrition Clinic at UD Health is seeking a per diem Registered Dietitian/Nutritionist (RD/N) to support outpatient medical nutrition therapy and nutrition education services at its Science, Technology and Advanced Research (STAR) campus in Newark, Delaware. Under the general direction of the Nutrition Clinic Director, the per diem RDN is responsible for completing nutrition assessments, developing care plans, and providing medical nutrition therapy and education in accordance with the standards of the Academy of Nutrition and Dietetics nutrition care process for clients with a wide range of medical conditions.

Major Responsibilities:

- Perform nutrition assessments that include height, weight & other anthropometric measurements and nutrient intake by dietary analysis of 24-hour recalls or 3-day diet records
- Educate and counsel clients on the nutritional management of various conditions including weight management (weight gain or weight loss), diabetes and pre-diabetes, heart disease, high blood pressure, high cholesterol, gastrointestinal disorders, food intolerances and allergies, bariatric surgery (pre/post), sports nutrition, food and drug interactions and other special diets
- Document the nutrition care process in the electronic health record utilizing ADIME format with PES statements
- Track nutrition services provided, including received nutrition referrals and other RDN activities
- Precept nutrition students and dietetic interns

Qualifications, Minimum Education & Experience:

- Employment is contingent upon a satisfactory background check
- Bachelor’s degree in nutrition or related field and currently a Registered Dietitian/Nutritionist (RD/N) with the Commission of Dietetics / Academy of Nutrition and Dietetics
- Currently a Licensed Dietitian/Nutritionist in the State of Delaware
- Certified Diabetes Educator (CDE) certification preferred
- Prefer candidate to be credentialed with major health care insurance providers including Highmark Blue Cross Blue Shield, Aetna, Cigna, Independence Blue Cross Blue Shield & Medicare to provide nutrition services
- Minimum of 1-year work experience in health care including hospitals, nursing homes, long-term care, or outpatient clinics
- Ability to work between 8 – 16 hours per week

Physical Demands and Work Environment:

- Ability to lift, move, push and pull equipment or boxes of up to 25 pounds
