**2024-2025 Benefits**

**WHAT’S NEW**

**EVEN THOUGH COSTS ARE RISING,** the University continues to offer excellent benefit choices and pays an average of 91% of the cost for health and 100% of the cost for dental insurance premiums for employees.

**BEGINNING JULY 1, 2024,** the University of Delaware has the following benefit changes:

- **HEALTH PLAN PREMIUM** rates will increase for health plan members. Depending on the health plan and tier coverage the employee elects, the increase could range from $9.36 to $91.84 per month. The increase in rates is to ensure there are sufficient funds to cover significantly higher healthcare and pharmaceutical costs.

- **HIGHMARK COMPREHENSIVE PPO PLAN** members will now have a $50 copay for in-network and out-of-network air ambulance services (previously no copay or coinsurance).

- **HIGHMARK COMPREHENSIVE PPO PLAN, AETNA CDH GOLD PLAN, AND AETNA HMO PLAN** members will have a reduction in copays or coinsurance for certain services related to a mental health or substance use disorder diagnosis.

- **ALL UD NON-MEDICARE HEALTH PLANS,** there will be benefit enhancements for coverage for cooling caps, mastectomy bras, and wigs/hair pieces for members when medically necessary.

- **COVID-19 BENEFIT ENHANCEMENTS** will be discontinued after June 30, 2024.

ENROLLMENT

DURING THE OPEN ENROLLMENT PERIOD, EMPLOYEES MAY:

- Change to a different health plan option;
- Enroll in a health, dental or vision plan if you declined coverage previously;
- Add or remove dependents (i.e., change your coverage level);
- Drop coverage for health, dental or vision insurance; and
- Change to a different level of disability and/or life insurance.

The benefits plan year begins July 1 and ends June 30. Benefits Open Enrollment is typically held in May. During this time, employees can change their benefits (with the exception of Flexible Spending Accounts), check their benefit costs and confirm their enrollment for July 1 at www.udel.edu/flexnet.

The online FlexNet process includes detailed instructions for completing your Open Enrollment elections along with information about documents that may be required if you are covering your spouse and/or adding dependents for the first time to your plans for the new benefits plan year.

Be sure to forward all required documents before the close of the Open Enrollment Period to hrhelp@udel.edu.

IF YOU DO NOT CONFIRM OR CHANGE YOUR ELECTIONS DURING OPEN ENROLLMENT, your benefit elections for health, dental, vision, long-term disability and employee life insurance will carry over into the new plan year. You can change your coverage only if you have an eligible family status change, as defined by federal law.

If during the year, you experience a qualifying life event, you must submit a Family Status and Benefits Change Form within 30 days of the event to enroll or make changes. If you fail to submit the required documents within 30 days of the event, you must wait until the next Open Enrollment period to apply for coverage.

Overview of BENEFITS

UD-supported programs provide opportunities and flexibility for you to tailor benefits to meet your personal needs.

UNIVERSITY CONTRIBUTIONS. The University provides full-time employees with a benefits allowance (or Flex Credit) called “UDollars.” This is the University’s contribution, and it covers a large portion of the premium costs for health, dental, vision, life and disability insurance.

Employees are able to use UDollars provided by the University to assist in paying for the benefits selected. If the total cost of the options chosen exceeds the UDollars paid by the University, employees pay the difference in pre-tax dollars. If the total cost of the benefits selected is less than the UDollars provided, employees receive the difference as taxable cash.

For full-time employees, the University’s health plan coverage contribution averages 91 percent of the total premium, depending on the plan and coverage tier. The University also pays the cost of “employee-only” vision, full cost of dental coverage, standard long-term disability, and life insurance equal to the elected level of coverage.

WHERE TO VIEW PLAN INFORMATION. A detailed Summary Plan Description for each of our plans is available at www.udel.edu/faculty-staff/human-resources/total-rewards/health-and-life-insurance/.

HOW TO VIEW YOUR BENEFITS. The online Flex Benefits View, at www.udel.edu/webviews, shows the total cost of the benefits, the amount the University contributes toward your benefits (Flex Credit/UDollars) and your before-tax deductions.

BENEFIT PLAN ID. With initial enrollment, benefit plan identification cards for health (Aetna or Highmark Delaware), prescription (CVS Caremark) and vision (NVA) are mailed to the home address within 10-14 business days. Present these identification cards to your provider when using your benefits. MetLife, the University’s dental plan provider, does not issue employee ID cards. Your MetLife dental membership ID is your UD employee ID number. The University’s dental group plan number is 95140.

Please take the time to learn about your benefits, and select plans and options that best suit your needs.
NEW HIRE OPTIONS FOR NEWLY BENEFITTED EMPLOYEES must elect an option for each of the benefit plans listed in the chart below. Elections must be made within 30 days of the hire date.

ELIGIBILITY DATE. If your hire date is the first day of the month, your benefits will be effective the first day of the month in which you are hired. If your hire date is after the first day of the month, your benefits will be effective first day of the following month.

RETIREMENT INCOME. To provide income in retirement, the University contributes to the 403(b) Retirement Savings Plan for Faculty and Exempt Staff, and to the State Employees’ Pension Plan for most Non-Exempt Staff.

TIAA 403(b) enrollment is not automatic. The effective start date is as soon as administratively possible, usually 1-2 pay periods after date of hire and enrollment.

State of Delaware Employees’ Pension Plan enrollment is automatic upon hire for full-time hourly and most non-exempt staff.

HOW TO ENROLL. Soon after your hire date or transfer to a benefits-eligible position, HR-Benefits will send an email that provides you with specific instructions about enrollment in UD employee benefit plans. The email will include links to online plan information, required documents and the enrollment system Flexnet.

ADDITIONAL INFORMATION

- If you are covering your spouse under your health plan, you must complete a Spousal Coordination of Benefits Form.
- Your benefits elections cannot be processed until all required documents are received.
- If you choose to waive health insurance, you must complete the Waiver of Medical Insurance and provide a copy of your current insurance card.

On your pay stub, you will see the University’s benefits contribution shown as Flex Credit UDollars under Hours and Earnings. You will also see the full Before-Tax Deductions for Medical, Dental, Vision Care, Employee Life and Long-Term Disability. To calculate your per-pay out-of-pocket cost for these benefits, subtract the Flex Credit-UDollars from the Before-Tax Deductions.

- If your deductions are greater than the Flex Credit-UDollars, you are paying the difference with a pre-tax contribution.
- If the Flex Credit-UDollars amount is greater than the pre-tax deductions, you are receiving the difference in your taxable income.
THE UNIVERSITY PROVIDES HEALTH INSURANCE PLANS through Aetna and Highmark Delaware. Plan options include Health Maintenance Organization (HMO), Preferred Provider Organization (PPO) and Consumer Directed Health (CDH). For detailed information on each plan, see the Comparison of University Health Care Plans chart.

Out-of-network care
- Plan pays 70%, after deductible

Think About It
Most state employees and retirees use in-network providers. So although your potential out-of-pocket expenses could be higher if you use out-of-network providers, consider how often you might actually use out-of-network providers.

Separate Prescription Drug Coverage
Prescription drug copays will remain the same for the current plan year. Your prescription copays do not apply to your deductible or coinsurance maximums.

2024-2025 Benefits Guide
CVS Caremark Drug Plan

PRESCRIPTION DRUG PLAN

IF YOU ELECT ANY HEALTH PLAN, YOU ARE AUTOMATICALLY ENROLLED IN CVS CAREMARK, which manages the prescription drug program through the State of Delaware.

- Prescriptions may be filled by any participating retail pharmacy for the copays listed.
- Some retail pharmacies fill a 90-day supply of medications at the same rate as CVS Caremark Home Delivery. A listing of the participating pharmacies can be found at https://www.caremark.com.
- CVS Caremark representatives are available 24/7. Pharmacists are also available around the clock for medication consultations. Call 833-458-0835 for assistance.

Members must obtain maintenance medications as 90-day fills at a 90-day participating pharmacy or directly from CVS Caremark Home Delivery to avoid paying a penalty after a third 30-day fill. Information on this program, a list of 90-day participating pharmacies, and information on CVS Caremark Home Delivery may be obtained at https://dhr.delaware.gov/benefits/cvs/medication-options.shtml.

Spousal Coordination of Benefits

There are two important questions to consider before enrolling your spouse in a health plan with prescription coverage:

➜ Is your spouse employed full-time or retired from an employer that offers health insurance?
➜ Is your spouse responsible for 50% or less of the premium for the lowest active or retiree health plan available to them?

If you answered “Yes” to both of these questions, then your spouse is most likely required to enroll in his or her employer’s coverage.

Important: If you cover your spouse in one of the health plans, you MUST complete a Spousal COB Form during initial enrollment, EACH YEAR during Open Enrollment and any time their employment or insurance status changes. Failure to complete the Spousal COB Form and/or provide additional documentation when required may result in a reduction of spousal benefits.

Learn more at: https://dhr.delaware.gov/benefits/cob/groups.

Dependent Coordination of Benefits

In accordance with the Group Medical Insurance Program Eligibility and Enrollment Rules, Dependent Coordination of Benefits forms must be completed for each dependent child to determine if the dependent is covered by any other health plan, regardless of age, upon:

- Enrollment
- Any time coverage changes, or
- Upon request by the Statewide Benefits Office

You can find additional information and the forms required by Aetna and Highmark Delaware by visiting the appropriate link below (select the carrier administering your health plan benefits):
https://www.udel.edu/faculty-staff/human-resources/forms.

Please return your completed form to HR Benefits by using our Secure Document Submission site; we will forward the form to Aetna or Highmark Delaware based on your health plan enrollment.

Your spouse might not be required to enroll in his/her own insurance if:

➜ Your spouse is not working full time;
➜ Your spouse's employer does not offer health coverage; or
➜ Your spouse's employer requires a contribution of more than 50% of the premium for the least expensive, employee-only (or retiree-only) plan offered.

Coordination of Benefits When Your Spouse is Retired

Spouses who are retired or will retire from an employer who offers retiree health insurance coverage are required to enroll in their employer's retiree health plan under certain circumstances. Coverage with the University may be elected as secondary in those cases.

THE UNIVERSITY PROVIDES FOR CONTINUING INCOME in the event of disability to eligible employees. Visiting employee classifications are not eligible. There are two different insurance plans: (1) Long-Term Disability for Faculty and Exempt Staff; and (2) Short-Term and Long-Term Disability for State Employees’ Pension participants.

LONG-TERM DISABILITY FOR FACULTY AND EXEMPT STAFF
If illness or injury results in disability that causes absence from work for more than six months, employees may apply for benefits through this program. A six-month waiting period is required before LTD Income benefits may begin.

THERE IS NO COST TO THE EMPLOYEE FOR THE STANDARD OPTION. Employees may choose the high option and pay the difference between the University’s contribution for the standard option and the cost of the high option.

* The percentage of salary is the most that can be received from all sources. This benefit will be reduced by Social Security and other employer-sponsored disability benefits.

SHORT-TERM DISABILITY FOR STATE EMPLOYEES’ PENSION PLAN (SEPP)
Disability insurance pays a portion of your monthly earnings if you cannot work because of an illness or injury on or off the job. Eligible employees are automatically enrolled in the STD and LTD plans. Through employer contributions to the SEPP, the University covers the full cost for STD insurance.

SHORT-TERM DISABILITY INSURANCE PAYS A BENEFIT OF UP TO 75 PERCENT OF EARNINGS, to a maximum of $2,000 per week. Benefits begin on the 31st calendar day of disability and continue through the 182nd calendar day. Employees who expect to be out of work for at least 30 calendar days must file a STD claim with the disability insurance vendor no later than 15 calendar days from the employee’s date of disability. Once the 30-day elimination period has been exhausted, the employee will be deemed to have applied for benefits and will not be eligible to use paid leave in lieu of application for STD. Report claims directly through the provider’s toll-free number: 877-484-9731. For additional information visit https://dhr.delaware.gov/benefits/disability/index.shtml.
LIFE INSURANCE

THE UNIVERSITY OFFERS GROUP TERM LIFE INSURANCE TO FULL-TIME EMPLOYEES. Employees may choose one of three University-paid Basic Life options: $10,000, $50,000 OR two times base annual salary (maximum $1,000,000).

ENROLLMENT IN EMPLOYEE BASIC GROUP LIFE INSURANCE is mandatory for full-time employees. You may change your selection once a year during the Open Enrollment period.

BASIC EMPLOYEE LIFE INSURANCE IS UNIVERSITY PAID; the contribution for life insurance equals the elected level of coverage. The cost of any employer-provided group insurance in excess of $50,000 is taxable imputed income. The IRS requires that the value of the premium for life insurance benefits, in excess of $50,000 for tax purposes, be subject to taxation.

IF YOU ARE A FULL-TIME UNIVERSITY EMPLOYEE, you are eligible to purchase additional Optional Life Insurance in addition to the Basic coverage provided. If you choose this option, you must elect Optional Life Insurance as a multiple of your annual base salary, and premiums are deducted from your pay on an after-tax basis. Enrollment in Optional Employee Life Insurance includes will preparation and estate resolution services at no additional cost. The premiums are age-graded, so as your salary and/or age increase, your premiums will also increase.

EMPLOYEES NOT PREVIOUSLY ENROLLED in Optional Life Insurance will be required to provide a Statement of Health (SOH). A SOH is required if enrolling for Optional Life Insurance for the first time or whenever increasing Optional Life Insurance coverage outside of annual Open Enrollment.

CURRENT PARTICIPANTS IN OPTIONAL EMPLOYEE LIFE INSURANCE MAY INCREASE COVERAGE one times to eight times annual base salary up to the plan maximum of $1,250,000 by answering five medical questions. Current participants requesting an increase greater than one times annual base salary will be required to provide a SOH. Any election to reduce life insurance coverage (already in place) must be done in writing. Contact MetLife by calling 866-492-6983.

The University contributes a fixed percentage of total salary, adjusted each year by the State of Delaware. Pension plan participants are required to contribute to the State Employee Pension Plan per the following:

529 COLLEGE SAVINGS PLAN is an education savings plan that permits families to set aside funds on a voluntary basis to meet future costs at qualified colleges and universities. Although contributions are not deductible on an individual’s federal tax return, investments grow tax-deferred, and distributions to pay for the beneficiary’s college costs are federally tax-free. Voluntary contributions to a 529 College Savings Plan can be deposited to an employee’s saving plan(s) directly from his/her pay. Plans work much like a 403(b), 401(K) or IRA by investing contributions in mutual funds or similar investments. For information, refer to TIAA (www.tiaa.org) Fidelity Investments (http://personal.Fidelity.com) and/or Savings for College (www.savingforcollege.com).

SUPPLEMENTAL BENEFITS ARE DIFFERENT FROM MAJOR MEDICAL INSURANCE. Accident and Critical Illness Insurance provides lump sum cash payments if you or a covered dependent suffer an injury from an accident or are diagnosed with a condition covered under the policy. It is difficult to anticipate the extra expenses a serious accident or illness may bring, but with Securian Financial you can be prepared. https://dhr.delaware.gov/benefits/securian-acii/index.shtml
FLEXIBLE SPENDING ACCOUNTS

QUICK FACTS
ASIFlex is the third-party administrator of the University’s Flexible Spending Accounts (FSA) plan. ASIFlex has administered pre-tax programs exclusively since 1988 and has extensive experience in administering FSA programs for universities, colleges and other public entities, including the State of Delaware.
NOTE: FSA balances do not roll over from one year to the next. Any remaining balance from the prior plan year will be forfeited at the end of the grace period. Re-enrollment is required every year in order to continue plan participation.
NOTE: FSA reimbursements are not automatic. You must complete and submit claim forms to receive reimbursement. Claims may be submitted through April 30 for expenses incurred between Jan. 1 (or the actual period you were enrolled, if enrolled after Jan. 1) and the end of the grace period.
Contact ASIFlex with FSA-related questions by phone, 800-659-3035, or by fax, 877-879-9038.

RE-ENROLLMENT IN FSA IS REQUIRED EACH YEAR.
OPEN ENROLLMENT IS USUALLY IN NOVEMBER WITH BENEFITS BEGINNING JANUARY 1.

FSA’s ARE VOLUNTARY ACCOUNTS that help you pay for expenses not covered by the other benefit programs. You can participate in Health care expenses or Dependent (day) care expenses or both of the accounts.

UNDER FSA REGULATIONS, YOU MAY COVER more dependents than under the other health and dental plans. For the health care account, an eligible dependent can also include a dependent parent, as long as you provide more than one-half of the individual’s support.

FOR THE DEPENDENT (DAY) CARE ACCOUNT, an eligible dependent includes your children (up to age 13), your spouse (only if he or she is disabled) and your parents or in-laws who depend on you and your spouse for more than one-half of their support and who spend at least eight hours a day in your home.

CONTRIBUTING TO YOUR FSA. When you’re deciding how much to contribute to an FSA, you should estimate your expenses carefully. Once you contribute money to your FSA, you:
• Cannot transfer money from one account to another;
• Cannot withdraw money except to be reimbursed for a covered expense;
• Must use the money in the account only for expenses incurred during the period enrolled, up to and including the 2½-month grace period. If you do not spend all the money, you will forfeit any unused balance;
• Cannot change the amount you contribute during the year unless you have a change in family status and apply within 30 days of the qualifying life event.

THESE RESTRICTIONS ARE REQUIRED BY FEDERAL LAW. When you set up an account, you use before-tax payroll contributions to pay for your eligible expenses on a tax-free basis.

CONTRIBUTION LIMITS are subject to change yearly.
