

NAVIGATE THE LINKEDIN LEARNING INTERFACE

The navigation bar at the top of the screen is always displayed and provides the following navigation options:

1. Click the **LinkedIn Learning** logo at any time to return to your home page.
2. Click the **Browse** icon to view a drop-down menu of LIL topics.
3. Enter keywords in the **Search** field to find LIL courses and content matching your search term.
4. Click the **Home** icon at any time to return to your home page.
5. Click the **My Learning** icon to see all the content you have viewed, saved, or completed. Find your **In progress**, and **Saved** content, along with your **Collections**, and **Learning History**. Each tab displays a number after its title to indicate how many items are on that tab, if any. Adjust your **Skills** and interests here, as well.
6. Click the **Me** icon to access your account settings, **My Learning** content, and your LinkedIn profile (if connected).
7. Click the **EN** icon to change the LIL content language to one of seven different languages.
8. Click the **UD Circle** to view collections or other recommendations **From Your Organization**.
