- Always be alert and aware of your surroundings and show a confident attitude.
- All suspicious activity should be reported to the University of Delaware Police (831-2222) on campus and the Newark Police (366-7111) off campus. Timely reports of information make it easier for the police to gather critical evidence and increase the odds of recovering stolen property and successfully prosecuting a criminal.
- Avoid walking alone at night — walk with a group, take a University shuttle bus, or call Public Safety for an escort — if you must walk alone please make sure to use well lighted paths and sidewalks and take the most direct route.
- Keep your doors locked (room and vehicle), do not prop open residence doors — this is an invitation for trespassers.
- Do not lend your keys, ID card, or PDI card to anyone — even your friends — not everyone will take the same care as you would.
- Report all maintenance problems (broken locks, windows, etc.) to Housing immediately.
- Attend Security Awareness programs held on campus for valuable information and safety tips.
- Identify your valuables — register your computer, stereo, etc. with Public Safety.
- Use crosswalks and pedestrian crossing signals to safely cross streets.
- Be aware of campus and local crime trends. You are your best protection; educate yourself.
- For personal safety, you can request an escort to or from any location on campus or within the designated escort perimeter during hours of darkness by calling 831-6666 or by using a campus blue light phone.

*All vehicle and parking regulations are enforced  
24 hours a day.*

## PERMIT REQUIRED AT ALL TIMES

Faculty, staff, students, and visitors must register when they park on University property, excluding pay-to-park lots and metered spaces.

## REGISTRANT RESPONSIBILITY

When registering for a permit, patrons must understand that they are responsible for all violations issued to the permit(s) and/or vehicles assigned/registered to them. They agree to report to the Parking Office any changes that affect their parking eligibility.

## FINDING AUTHORIZED SPACE

Registration in no way guarantees that a parking space convenient for the individual will be provided. The responsibility for finding a legal space rests with the motor vehicle operator. Lack of parking space, mechanical problems, inclement weather or other problems do not justify parking violations.

## LOT RESTRICTIONS

Parking of registered vehicles is restricted by specific color-coded areas from 7 a.m. to 5 p.m., Monday through Friday unless otherwise posted. At all other times, any active parking permit can park in all lots except lots #16, 21, 61 and 114, which are restricted at all times. Lot 7 is restricted 6 a.m. to 10 p.m. seven days a week. Handicap spaces are reserved at all times. Reserved spaces and service vehicle spaces are restricted from 7 a.m. to 5 p.m., Monday-Friday unless otherwise posted. During Summer Session and Winter Session, when shuttle buses are not running their academic-year schedule, red permit holders may purchase gray parking privileges. When classes are not in session, red permit holders can park in gray lots.

## FIRE LANES

All state laws governing movement, operation, and parking of vehicles shall apply on University property. Parking in fire lanes is a violation of a Newark ordinance as well as University regulations. Vehicles so parked will be towed at the owner's expense. A licensed driver must be with the vehicle at all times. Use of flashers does not constitute legal parking.

## ONLINE SERVICES

Online Services includes the purchase of permits; visitor passes, citation payments, citation appeals, and wait listing.

## CAMPUS SPEED LIMIT

Unless otherwise posted, the campus-wide speed limit is 15 miles per hour.

## HANDICAP PRIVILEGES

Persons with handicap parking privileges are eligible to park in handicap spaces, service vehicle spaces, and unpaid meters provided they have a valid University permit for the lot in which they are parking. Vehicles that display valid handicap privileges are exempt from meter activation.

## METERS

Metered spaces are designed to provide convenient short-term parking and may be used for the time period activated on the meter. Individuals with University permits must pay to park in these spaces. Metered parking requires activation at all times. Should a meter malfunction, the problem should be reported immediately to Parking Services. If there isn't a meter or a meter is out of service, the parking space will be considered controlled by the restrictions on the sign in the lot where the space is located.

## BICYCLES

All bicycles operated, parked, or stored on campus must be registered with the University. All bicycle operators must follow local and state regulations and laws concerning bicycles. Bicycles must be secured to a bike rack each time they are left unattended on campus for any period of time. To register your bicycle online go to: [www.udel.edu/transportation/parking/online-services.html](http://www.udel.edu/transportation/parking/online-services.html).

## UNLOADING

Vehicles are permitted to park in driveways adjacent to residence halls for up to thirty minutes at the beginning and end of each semester, when students move in and out of the residence halls. Each vehicle must be attended by a person who can move it immediately in the event of an emergency; any unattended vehicle will be towed at the owner's expense. Parking Services supervises and directs parking when it is for the purpose of loading student possessions during the change of semesters.

## DISABLED VEHICLES

Parking Services must be notified about all inoperable vehicles. The person operating the vehicle must remain with it until the officer arrives to determine if there is a hazard.

## CUSTOMER ASSISTANCE PROGRAM

Parking Services at 302-831-1184 will provide jump starts, tire inflations, vehicle lockouts, and emergency gasoline assistance to vehicles parked on campus. If after 5 PM Monday through Friday or on weekends, please contact UD Police at 302-831-2222.

## TOWING

The University reserves the right to remove and impound abandoned vehicles or vehicles in violation of University parking regulations.
