

How do I upload my positive or negative COVID-19 antigen test results?

Both students and staff can upload positive and negative antigen test results to the UD Health Portal.

1. Log into the [UD Health Portal](#).
2. Click “Enter my COVID-19 test results.”
3. Choose your **test type** (COVID-19 Rapid Antigen)
4. Click the gray “Add New Result”

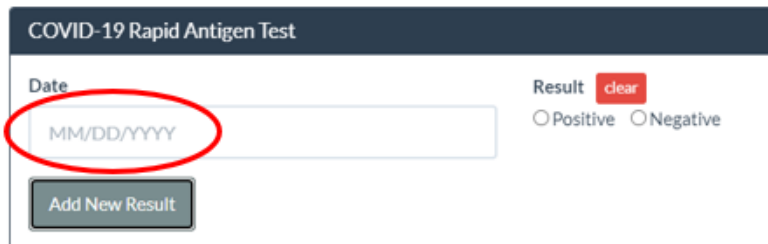

COVID-19 Rapid Antigen Test

Date: 02/05/2022

Result: Positive Negative

Add New Result

5. Enter the **date** that your test was performed.

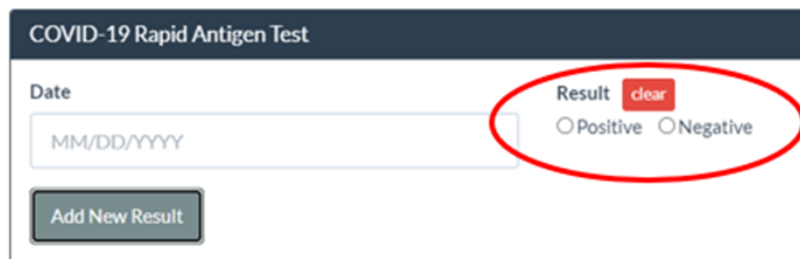

COVID-19 Rapid Antigen Test

Date: MM/DD/YYYY

Result: Positive Negative

Add New Result

6. Select the **Result** of your test (Positive or Negative)

COVID-19 Rapid Antigen Test

Date: MM/DD/YYYY

Result: Positive Negative

Add New Result

7. **Take a picture of your UD ID card beside your home test with the date of the test written on/near the test card.** Click [here](#) for an example.

8. Click the green “Upload” to attach the Image/PDF of your test result (with your UD ID and test date).

COVID-19 Test Results Upload

Upload

Please upload a copy of your test results

9. Click “Done”
10. Uploads will be reviewed by SHS staff in the order they were received.

If your antigen test is positive:

Students - please upload your test results (see above), begin isolating, and review the information under “I recently tested positive for COVID. What should I do?” on the SHS website, [COVID-19 section](#).

Employees - please upload your test results (see above), begin isolating, and notify your HR Liaison.
