

The heart of every lab

Up to **65%** off

## Save up to 65% on 3 or more pipettes

When you buy three or more Thermo Scientific™ F1-ClipTip™ or Thermo Scientific™ E1-ClipTip™ Pipettes, you'll save on your order.

You no longer need to use force to keep your pipette tips in place. The ClipTip pipetting system remains sealed, even during comprehensive applications with multiple tip touches and mixing cycles. Then you decide when to eject your tips.

NOTE: Discounts taken off list price. Prices shown reflect promotional prices.
