UNIVERSITY OF DELAWARE EXCHANGE

Shopping Using Hosted Catalogs

Revised 05/23/23

UNIVERSITY OF DELAWARE

Shopping Using Hosted Catalogs

There are two types of catalogs in UD Exchange: hosted and punch-out. Both types of catalogs have UD-specific items and prices offered by UD-contracted suppliers.

- **Hosted** catalogs are maintained directly within UD Exchange.
  - The hosted catalog shopping experience has a consistent look and feel in UDX regardless of the supplier.
  - Hosted catalogs include pricing for each item do not require you to “punch-out” to another website.
