## 2025-2026 ACADEMIC YEAR CALENDAR

**For the most up-to-date information, please refer to the online calendar, rather than a printed version. Prepared by the Office of the University Registrar. For questions or comments: [registrar@udel.edu](mailto:registrar@udel.edu) 4.21.2025**

The Winter 2026 calendar has been updated to add January 2 and Saturdays to create a pool of possible instruction days that allow for 24 total class periods and possible adjustments due to inclement weather. This approach is designed to allow for maximum instructional flexibility. Instructors have discretion to deliver in an independent, asynchronous online format in lieu of a synchronous online meeting on such days.
