

2020-2021 ACADEMIC YEAR SPECIAL REQUIREMENTS SCHOLARSHIP APPLICATION

Each June, the University of Delaware assesses new recipients for scholarships that are made possible by our generous alumni or friends in order to provide opportunities for students to succeed and pursue academic goals. The most qualified candidates for most of UD's endowments are automatically identified and the recipients are notified by early July.

This application is for endowments and scholarships that require additional information to meet the donor requirements. If you believe you meet the special requirements as outlined, please complete this application. A *handwritten signature* is the only acceptable signature.

Applicants are reviewed beginning June 15, but students may apply at any time, as some scholarships will be awarded throughout the year.
