

TEACH Grant Application

The Teacher Education Assistance for College and Higher Education (TEACH) Grant Program provides grants to students who intend to teach full-time in a public or private elementary or secondary school that serves students from low income families. In order to qualify for the TEACH Grant, you must meet certain academic requirements (generally, scoring above the 75th percentile on one or more portions of the ACT or SAT or maintain a cumulative GPA of at least 3.25). You must also teach in a high-need field at a low-income school for at least four academic years within eight calendar years of completing the program of study for which you received a TEACH Grant.

IMPORTANT: If you do not complete your service obligation, all TEACH Grant funds you received will be converted to a **Direct Unsubsidized Loan**. You must then repay this loan to the U.S. Department of Education with **interest** charged from the date the TEACH Grant was disbursed (paid to you or on your behalf).

Directions: Complete this form in its entirety and submit to Student Financial Services if you wish to apply for the TEACH Grant.
