

UD SCHOLARSHIPS & GRANTS—NEWARK

The University of Delaware offers a variety of grants and scholarships (money that does not have to be repaid) to students during the admission process.

A separate application is not required for merit scholarships and all first-time in-state students are reviewed for these based upon all materials and information supplied with the admission application. Grants consideration requires the Free Application for Federal Student Aid (FAFSA).

UD aims to make a UD education affordable to all qualified Delaware residents and offers a need-based financial aid program for Delawareans. Students who file the FAFSA and meet certain eligibility requirements may attend UD tuition-free.
