

2025-2026 Academic Year

Certification of Enrollment Status for Sibling or Spouse

Your Free Application for Federal Student Aid (FAFSA) indicates you have sibling(s), a spouse, or child(ren) who will be attending college during the 2025-26 academic year. This form must be completed for *each family member reported to be in college*. To be considered "in college" for the purposes of financial aid, family members must be enrolled at least half-time in an undergraduate program at a post-secondary institution eligible to receive federal funds. Notify SFS immediately of any changes to the educational plans of family members who were initially reported as "in college" as adjustments to financial aid eligibility may be necessary.

Please complete this document with the information of the UD student and other "in college" family member. The bottom section must be completed by the financial aid office where the other family member is enrolled. Submit the completed form via My SFS Docs: udel.verifymyfafsa.com/account/login.
