

## **Lunch and Learn – Spring 2024**

*The [FinTech Innovation Hub](#) on the University of Delaware's Science, Technology and Advanced Research (STAR) Campus is a nexus for high-quality education, groundbreaking research and workforce development in the exciting field of financial technology. The Lunch & Learn events bring together FinTech corporations and UD faculty and staff to discuss collaborative opportunities. The typical format includes two short presentations, about a FinTech activity and a UD academic activity (e.g., research or educational efforts), respectively, followed by an open discussion.*
