STUDENT CONDUCT ADVISORS

You are encouraged to contact a student conduct advisor as soon as you decide to make use of this resource. Please contact only one advisor at a time. Contacting an advisor well in advance of a meeting with Community Standards & Conflict Resolution will increase the opportunities you to connect with an advisor and be best prepared for your CSCR meeting. It is also recommended that you have access to all relevant information you have regarding your case (such as the incident report, e-mail notification of charges, etc.) to share with an advisor.

Further information regarding the student conduct process and the Code of Conduct may be found in the Student Guide to University Policies at www.udel.edu/stuguide/.

NAME	UD Affiliation	E-mail	Phone
