Session III

- Presentation by Bob Berdahl, Academic Analytics

Name: Robert Berdahl

Title: Chancellor Emeritus, University of California - Berkeley

Education: Ph.D., University of Minnesota, 1965

Background: Robert Berdahl is an American historian. He was Chancellor of the University of California, Berkeley from 1997 to 2004. He came to Berkeley from the University of Texas - Austin where he served as President since 1993. Before assuming his post at Texas, Berdahl served for seven years as Vice Chancellor for Academic Affairs at the University of Illinois at Urbana-Champaign.

Berdahl's academic career began at the University of Oregon where he was a member of the history faculty from 1967 until 1986. In May 2006 he became President of the Association of American Universities (AAU) and held the position until June 2011. On December 9, 2011 Berdahl announced that he had been asked by the Oregon State Board of Higher Education to serve as the President of the University of Oregon on an interim basis. Berdahl served as President until August 1, 2012.

Name: Lawrence Martin

Education: Ph.D., University College London, 1983

Background: Lawrence Martin is a Co-founder of Academic Analytics and currently the Director, Turkana Basin Institute at Stony Brook University. He also served as Dean of the Graduate School at Stony Brook University for 19 years, from 1993-2012. He began research on faculty scholarly productivity and its relationship to university quality in 1995. Lawrence was also Associate Provost at Stony Brook for 12 years from 2001-2012.
