Effective communication helps provide feelings of satisfaction and accomplishment. In the workplace, communication allows for strong relationships, trust, productivity, and safety. Throughout this month, you will learn effective communication strategies you can utilize in your personal and work life!

We’re excited to launch the LinkedIn Learning August Challenge: Communication, kicking off Tuesday, August 9th!

Challenge yourself to complete as many of these daily activities as you can through the month of July. Even if you don’t complete them all, submit the embedded survey to be entered to win a wellbeing prize!

Happy learning!
