CHEMICAL SAFETY MOMENT

Issue 21 – March 2017

EHS Trivia: What Day is waste picked up from the Brown Shed? What day are empty containers returned?

Building Issue? Call UD Fixit

For small repairs and maintenance requests (i.e. light bulbs out, leaking faucet, etc.), please contact UD Fixit directly at:

831-1141

Give full description of the problem, building, room number, and location in room (e.g. hood number). After informing UD Fixit, post a sign near the problem area to help the Facilities personnel locate it quickly.

For faster service with malfunctioning lights (non-hood) or minor water pick up, inform a building custodian or phone Bill Brock (custodial manager) at 302-293-1235.

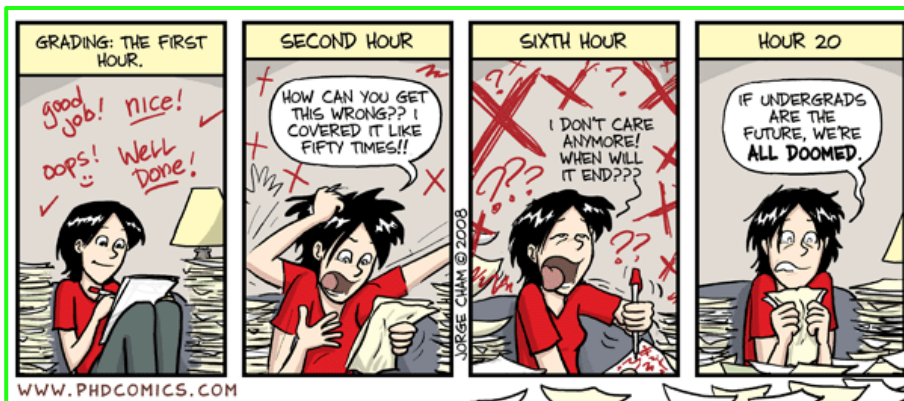

If you have contacted UD Fixit and the problem persists, please contact Doug (x2463).
